

Independent Review Committee  
2012 Report to Securityholders  
of the North Growth Funds

North Growth Management Ltd established an Independent Review Committee in August 2009. Five meetings of the IRC were held in 2012.

**Mandate of the IRC**

In accordance with NI-81-107, the mandate of the IRC is to review for, and provide input to the Manager, on the Manager's written policies and procedures which deal with Conflicts of Interest Matters ("COIM's") and to review for and provide its decision to the Manager on such COIM's. The Manager is required under NI-81-107 to identify conflicts of interest inherent in its management of the Funds, and request input from the IRC on how it manages those conflicts of interest, as well as on its written policies and procedures outlining its management of those conflicts of interest.

The Manager must refer its proposed course of action in respect of any such conflict of interest matters to the IRC for its review. Certain matters require the IRC's prior approval, but in most cases the IRC will provide a recommendation to the Manager as to whether or not, in the opinion of the IRC, the Manager's proposed action proves a fair and reasonable result for the Fund(s). For recurring COIM's, the IRC can provide North Growth with standing instructions ("Standing Instructions").

This report is available on North Growth Investment Management's website at ([www.northgrowth.com](http://www.northgrowth.com)) or you may request a copy, at no cost to you, by contacting North Growth at (604) 688.5440.

### **IRC Compensation and Indemnification**

The aggregate compensation paid by the Funds to the IRC for the 2012 calendar year was \$14,000. The compensation consisted of quarterly retainers of \$1,500 for the chair and \$1,000 for each of the other members. The Manager reimburses the Funds for the compensation paid to the IRC members.

No indemnities were paid to the IRC by the Funds during the period.

At least annually, the IRC will review its compensation in a manner consistent with reasonability and good governance practices, giving consideration to the following:

1. the best interest of the Funds;
2. that each Fund must pay its reasonable allocation of the compensation of the IRC from the assets of the Fund;
3. that the compensation paid to the IRC by each Fund should fairly and reasonably reflect the general and specific benefits accruing to the Funds;
4. the number, nature and complexity of the Funds for which the IRC acts, including the commitment of time and energy that is expected from each member;
5. industry best practices, including industry averages and surveys on IRC compensation;
6. the Manager's recommendations, if any; and
7. the IRC's most recent assessment, if any, of its compensation.

The matter of IRC compensation was reviewed during 2012 and it was determined to leave the IRC compensation levels unchanged. The issue will be revisited in 2013 following the decision by the Manager to establish an additional fund.

### **Conflict of Interest Matters**

No conflict matters were referred to the IRC by the Manager and the IRC is not aware of any instance in which the Manager acted in a COIM referred to the IRC for which the IRC did not give a positive recommendation. The Manager has an obligation to notify the IRC of any such instance.

The IRC is not aware of any instance in which the Manager acted in a COIM but did not meet a condition imposed by the IRC in its recommendation or approval. The Manager has an obligation to notify the IRC of any such instance.

## **Standing Instructions**

The IRC has approved Standing Instructions, which constitute a written approval or recommendation from the IRC that permits the Manager to proceed with specific action(s) set out in the Standing Instructions on an ongoing basis, without having to refer the COIM or its proposed action to the IRC, provided the Manager complies with the terms and conditions of the Standing Instructions. In each case the Standing Instructions require the Manager to comply with its related policy and procedures and to report periodically to the IRC.

A review of the sufficiency of the Standing Instructions was carried out by the Manager and the IRC in 2012 and the following Standing Instructions have been promulgated and are in effect as at December 31, 2012:
